

The diagram shows a trade show booth with the following components and labels:

- ENSEIGNE** (Signage): A box with "OUI" and "NON" options, linked to a sign on the booth.
- ÉCLAIRAGE** (Lighting): A box with "OUI" and "NON" options, linked to a light fixture on the ceiling.
- STRUCTURE MÉTALLIQUE** (Metal Structure): A box with "OUI" and "NON" options, linked to the frame of the booth.
- MOQUETTE** (Carpet): A box with "OUI" and "NON" options, linked to the red carpet on the floor.
- DOTATION MOBILIER** (Furniture): A box with "OUI" and "NON" options, linked to a desk, table, and chair inside the booth.

Other labels in the diagram include:

- Traverses**: Labels for the horizontal beams of the structure.
- Poteaux**: Label for the vertical posts of the structure.
- Hauteur sous traverses 2455mm**: A vertical dimension line indicating the height under the beams.
- SECTEUR** and **Nom de l'Exposant**: Text on the sign.
